Advanced Training

Communication Partners: Developing Language Skills in Small Groups:
Level 1

This 2 ½ hour course will provide early years practitioners with an overview of how to plan and run language groups to support children’s speech, language and communication development

This training course is aimed at practitioners working in Early Years settings who have attended the Foundation Training. It is run by the CLCH NHS Early Years Speech and Language Therapy (SLT) Service.

<tbody>
<tr>
<td>Tuesday 18th June 2019</td>
<td>9.30am - 12pm</td>
<td>Committee Room 3 and 4 Kensington Town Hall Hornton St, London W8 7NX</td>
</tr>
</tbody>
</table>

By the end of the training you will:

- Know about a range of activities to promote language development in small groups
- Have an understanding of how specific activities can support speech, language and communication development
- Know how to plan and run small group, adult-led activities to develop language skills
- Know how to document your observations using a specially-designed tracker sheet
- Know how language groups can be used to set goals around language development for individual children

Advance booking on this course is essential. Please complete a booking form and send it to clcht.slteytraining@nhs.net and you will receive email confirmation. Please note, you should have received written confirmation of your place on the course in order to be able to attend.

Please contact the Early Years Speech and Language Therapy team on 020 8102 3575 if you require any further information on the training

There is no cost for this training
