Central London Community Healthcare Speech and Language Therapy Service introduces:

**Learning Workshops for school staff**

to benefit students with Speech, Language and Communication Needs (SLCN)

At the workshops you will learn strategies and approaches relevant to SLT input taking place at your school. Please come ready to learn with specific students in mind.

These workshops are a great opportunity for school staff to gain skills to facilitate achievement of Education, Health and Care Plan Outcomes. We also welcome staff working with a wider population of children with SLCN.

Further information will be shared in the New Year
