Dear [REDACTED]

Freedom of Information Act 2000 request: Drug Addiction babies

With reference to your request for information, dated 24th March, made under section 1(1) of the Freedom of Information Act, I am writing to inform you of the outcome of your information request.

You asked the following:

Can you provide answers for 2011-2012, 2012-2013, 2013-2014, 2014-2015 and 2015-2016 please.

How many babies were born with neonatal abstinence syndrome (showing signs of drug addiction because of their mother taking drugs during pregnancy) at hospitals run by your trust during each financial year?

If you run more than one hospital please breakdown the figures for each hospital.

Our response:

Central London Community Healthcare does not hold the information being requested, this request should be directed to Trusts with maternity units.

This completes our response to your request for information. If you are unhappy with our response, please write to us giving your reasons and we will address them. If you remain dissatisfied you are entitled to appeal to the Information Commissioner:
